PRE-SEASON UNDERWAY

Preparations for season 2022 are now well underway with good numbers at training thus far as the Men look to defend their 2021 Summer Cup crowns.

With our first competitive games not far away, the tempo is ramping up as players look to vie for their place in the respective squads with regular intraclub matches being held on Saturdays.

Women's training has commenced with a strong turnout so far, however they will miss the Women's Summer Cup against WSL opposition in favour of a more tailored preparation for the season proper.

As always, new players of all skill levels are welcome to join us with social teams available.

FLEDGLINGS TO RETURN TO CLARE STREET

A new flock of White Eagles stars are set to begin their footballing careers in white and red with the junior program looking to restart in 2022.

Plying their trade out of Clare Street Oval, it is expected that we will field teams in the Under 6, Under 7 and Under 11 age groups when the season begins in Term 2.

More information will be released closer to kick off.

COURT SUBMISSIONS

The Honorable Chief Justice's Ronan & Nina "Judge Judy" Longden now invite submissions to our first session of Court for 2022, with an unfavourable verdict earning the guilty party a spin on the wheel of misfortune.

Players are encouraged to submit their evidence (photos, videos or written affidavits accepted) to the above named for collation.

Precedent has been set for those who repeatedly foul throw, steal teammates gear, settle matters with bribes, leave a match at half time to paint a picture of their dog or take credit for another teams own goal.

Previous punishments for guilty verdicts have included being handcuffed to Shane for 15 minutes, singing a song for the group and live streamed public apologies on social media.
