WHITE EAGLES START 2020 WITH A BANG - THEN STOP

New Town White Eagles S.C started the 2020 Southern Championship season started with a bang with two big wins against South East United.

In the Seniors, it was a 14-1 win where James Vernon marked his 200th senior game with 4 goals, as did Olly Johnstone. Jack Rojahn broke his long goal drought with a two minute double. Blayne Hudson scored from a free kick with his first touch off the bench. Ben Phillips, Callum Back and Andy Clark also scored singles.

In the Reserves, we ran out 6-2 winners after being 2-0 down, with Hudson scoring a double as did Luke Backhouse. Andrew Telega and Monty Pilkington scored one a piece.

One March 17 2020, we received the predictable but nonetheless heartbreaking advice that all grassroots football was suspended until 14-April. This includes all matches and training. As disappointed as we are, the club fully supports the decision made in the wider public interest throughout Tasmania and the rest of Australia.

VERNON APPOINTED AS TEAM MANAGER

New Town White Eagles S.C are pleased to announce that Stevan Vernon has been appointed as team manager for 2020.

Pictured here with his sons Mark and James, Vernon has been a stalwart of the Club for many years.

Deputising as the Match Manager on occasion in the past, it is great to have Steve in an official role going forward.

PRIZED TECHNICAL CONSULTANT DEPORTED

In a huge turn of events, our prized technical consultant from the UK, Denis "Pops Guardiola" Winter has been sensationally deported.

Pops travelled all the way from England to watch James Vernon play and also to visit his grandson Callum Back.

He arrived in the State on March 13th in time for the planned Round 2 and was scheduled to provide further advice and encouragement to the players during his stay, after contributing via WhatsApp in Round 1.

However, rumours in British tabloids have circulated claiming that an image was leaked to the authorities of Pops signing a contract, while on a tourist visa, which forced him to leave again on March 17th.

*Editors note: Pop's actually had to leave due to travel bans in relation to the coronavirus.
