SUMMER CUP A SUCCESS

Our 60th Anniversary as the White Eagles Sports Club started with a bang, with both our Men's and Social Men's teams taking home the first pieces of silverware on offer in 2021.

The Men's team broke a trophy drought stretching back to 2000 as they defeated South Hobart 3-2 after extra time. Youth product Ronan Longden opened the scoring and new signing Rowan Heggie headed home in normal time. Luke Huigsloot, another new signing sealed the win in the first period of extra time.

The Social men defeated Clarence Zebras 2-1 in a tight final, with two excellent goals from Blayne Hudson the difference. This was their second win in the tournament in the last three years.

The Women's team had a baptism of fire with some heavy defeats against WSL opponents, but Shane Revell had the opportunity to use 19 players in what will be great preparation for the season proper.

COURT SUBMISSIONS

The Honorable Chief Justice Ronan Longden now invites submissions to our first session of Court for 2021, with an unfavourable verdict earning the guilty party a spin on the wheel of misfortune.

Players are encouraged to submit their evidence (photos, videos or written affidavits accepted) to either Liam Brown or Andy Clark for collation.

Precedent has been set for those who repeatedly do foul throws, steal teammates gear then settle the matter with bribes, leave a match at half time to paint a picture of their dog or take credit for another teams own goal.

Previous punishments for guilty verdicts have included being handcuffed to Shane for 15 minutes, singing a song for the group and live streamed public apologies on social media.
