WELCOME

Welcome to the first edition of 'The Talon', the official newsletter of the New Town Eagles Soccer Club for the 2000's.

The Talon was the name of the Club newsletter in the 1990's and will be making a comeback for this season.

We would love you to share this with as many people as possible to help spread the word about our great Club.

CLARE STREET SET FOR \$900,000 UPGRADE

New Town Eagles has welcomed the State Government's recent "Levelling the Playing Field" grant announcements, calling the promised investments a win for football.

The Hobart City Council won a \$450,000 grant under the program, which aims to improve change-room facilities with a particular focus on female friendly arrangements. The HCC is expected to contribute a further \$450,000 of their own funds, with the total project expected to cost around \$900,000.

The Club hopes that the funding will help kick start the reintroduction of girls and women's teams, which have traditionally been strong.

Clare Street is shared with the New Town Bucks Cricket Club in the summer, which is used as the home base for their women's cricket program.

A \$900,000+ upgrade at the multi-sport facility at Cornelian Bay, will also benefit the Club, which has historically been utilised for pre-season training.

More information will be provided in the future as it becomes available.

The Club are pleased to announce the reappointment of senior coach and club stalwart Andrew Leszczynski for season 2020.

Now into his 4th season as coach of the current crop, 'Dreamer' boasts an enviable record as both a coach and player, as the Club chases success in the restructured Southern Championship.
