ANNUAL GENERAL MEETING DATE SET

The New Town Eagles S.C AGM for the year ended 30 October 2019 will be held on Saturday 25th January beginning at 10:00am at the Polish Club, New Town. Note that there may be summer cup matches on at this time so we will update the time if required.

We encourage all members to attend to have your say on the running of our club and to elect the committee for season 2020.

We are particularly looking for new committee members who want to make a real impact on our community in a supportive & dynamic team environment working with a club committed to the development of grassroots football & to help female football grow in Tasmania.

We will also be officially voting on the re-brand of the Club in 2020 after our recent Facebook poll.

Please get involved in whatever capacity you can and help to make our great club even better.

WOMEN'S TEAM POISED TO RETURN IN 2020

In an exciting development for the Club, the return of the Eagles women's program looks set for season 2020 after strong interest was registered after our EOI process.

Last fielding a team in 2013, a Southern Championship 1 side is the planned option for 2020, with the view to expand the program going forward. Any interested ladies are welcome to join.

The Hobart City Council won a \$450,000 grant, to redevelop the Clare Street which aims to improve change-room facilities with a particular focus on female friendly arrangements which should be a huge drawcard for new players. The HCC is expected to contribute a further \$450,000 of their own funds, with the total project expected to cost around \$900,000.

NEW SPONSORS JOIN THE EAGLES NEST

The Club are pleased to announce a number of new sponsors who have generously committed to supporting us going forward.

We look forward to releasing some more detailed stories in upcoming editions of the Talon on our partnerships with the following businesses.
